

Broccoli & Bacon Salad

Ingredients:

- Broccoli florets: fresh broccoli will taste best
- Mayonnaise
- Sugar
- Apple Cider Vinegar
- Almonds
- Onion: chopped red onion
- Bacon bits: cooked and chopped

Method:

1. Prep ingredients: chop and quickly blanch the broccoli, cook the bacon bits, chop the onion and almonds. You can prepare all these ingredients in advance (or even make the entire salad up to 1 day in advance).
2. Whisk the dressing. Mix salad dressing ingredients including mayonnaise, sugar and apple cider vinegar. (I like to substitute half plain Greek yogurt for the mayo in the dressing because I like the flavour and creaminess it adds).
3. Toss the dressing and all the ingredients in a large bowl, cover, and refrigerate for at least 1 hour before serving
